

Building in the Light

Getting Started

1. If you went back in time 80 years, what one household appliance would you take with you?
2. Would you rather have perfect health until death or ten million dollars right now?

Digging Deeper

3. Read Isaiah 43:1-13. What does this passage teach us regarding the importance of being God's possession?
4. Read Deut 7:1-11. How should we live as the holy people of God?
5. Read Hosea 2:14-23. How would you describe the love that God offers to His people?
6. What are the "excellencies" of God in I Peter 2:9?

Living It Out

7. What does it mean to you to be able to claim the titles of I Peter 2:9-10 for yourself?
8. How does embracing these titles empower us to share the Gospel light with those in darkness?
9. *Bring a Friend to Church Sunday* will return in June this year. Who can you begin to pray over that they will join you to hear the Gospel at GCBC this June?

BUILDING GOD'S CHURCH **Building in the Light**

I Peter 2:9-10

How do we share the hope of the Gospel within us to this lost and needy world? Peter shows us that the best way to build God's Church is to spread the marvelous light in us that we possess through the Gospel. In I Peter 2:9-10 we see the message of the power through the titles given to the Church.

The Light of the Gospel transforms us
