Romans 4:13-15

## Cancelling the Victory

Tragically, countless millions will miss the Victory in Christ's work, because they cancel God's grace by their own efforts. Paul presents three arguments in our passage this morning to prove that we cannot approach God based on faith and works of the Law, but we must come to God based on faith alone. May we believe in the completed work of Christ and boldly proclaim the faith alone Gospel to a world struggling under the burden of law.

4. Read Gal 3:16. How do we become the blessed through the seed of Abraham? Who is the seed?
5. Read I Cor 3:21-23. How should our eternal inheritance in Christ impact the way we view earthly leaders in this age?
6. Read Romans 4:15 and 1:18. Who is the one who will execute the wrath of the Law? How does this impact the way we view justification in Christ?

### Living It Out

8. Let's take the last 5-10 minutes of Growth Group to plan a way that we can send some grace to our college kids with everything they are dealing with on top of their normal school work.
