

# THE GOSPEL ACCORDING TO GOD

## The Gospel Applied

Romans 1:5-7

Last week we saw the importance and the truth of the Gospel through the senders of the Gospel, God and Christ. This week we will look at the application of the Gospel to our lives. How do we apply the Gospel to our souls and what happens to our lives once we have received the Good News? Let's see the joy of the Gospel in our lives today!
