

## **Exiles to the End**

### **Getting Started**

1. What was your favorite thing you did during the Growth Group break (June – July)?
2. The word “serve” can mean: tie a knot, hit a ball into play, or operate a gun. What type of service are you most proficient in (knot tying, tennis, or target shooting)?

### **Digging Deeper**

3. Those who don’t have sound judgment typically suffer from pride. How does pride harm our prayer lives?
4. What does it mean to cover sins in love (I Pt 4:8)? How does covering the sins of others in love make us like Christ?
5. How significant is our love/service to another in regards to our testimony to the world (John 13:34-35)?

### **Living It Out**

6. What is one seemingly mundane act that you can do this week to increase God’s glory in our community?
7. What skills/gifts have you been given by God that you can use in the church?
8. What food will you serve to those you welcome into your home this month with your gift of hospitality?

# **Living as exiles**

## **Exiles to the End**

I Peter 4:7-11

How should we live in light of the coming return of Jesus Christ? Peter calls us away from speculation regarding timelines and End Times Judgments to love and service for one another in the Church. May Christ find us ready at His return as we are active in service for the glory of the Father.
